

SHOPPING TO GIVE

Hundreds of fashionistas donated pre-loved designer togs and visited the “Buy To Save” sale organised by UNIFEM Singapore in October. Held at the intimate Velvet Underground club, the sale also included new pieces from leading fashion houses like FJ Benjamin Group, Jay Gee Melwani Group, Wing Tai, Marjan Pejowski, and Be-A-Fashionista.com.

All proceeds from “Buy To Save” were donated to the UNIFEM Fund in Support of Actions to Eliminate Violence against Women.
